

Community Standards

These are the standards that we, the High Sierra Spring 2010 Semester, have agreed to abide by over the course of the semester:

- **We will respect each other and offer accountability as necessary**
- **We will attempt to confront each other in a Biblical manner**
- **We will strive to be all here and keep God First**
- **We will seek to develop companionship with the intention of seeing each other as brothers/sisters in Christ**
- **We are committed to monthly acts of kindness for our brother/sister halls**
- **We will announce our presence on halls when walking onto halls of the opposite sex**
 - **Out of respect we will also dress in modesty**
- **We endeavor to create an environment of supportive and collaborative scholarship**
