

Letters from students

Katie,

I wanted to say THANKS for everything you have done so much for me and I really appreciate that you are here for me and so willing to help me in any situation. I Love you so much and I know that High Sierra would not be as great as it is if you weren't here. I am so glad that you challenged me to do the things that I didn't want to do while on TRK and also that you spent time with me at the waterfall when I really had no desire to deal with TRK stuff. Thanks for spending that time with me even though there were tons of other things that you could have been doing instead. I appreciate it so much so thank you!!

♥

Dear Katie,

I hope I have conveyed to you how much of a blessing you have been to me this semester. If not, please let me tell you. I am so grateful for your listening ear, your loving hugs, your great advice, and your valuable friendship. Thank you for being a true friend to me when I needed one. Thank you for treating me as an equal rather than an inferior. Katie, you have such a unique ability to make others feel loved and important; I love to see the way you interact with others - in selfless devotion. Thank you for taking your job above and beyond your requirements.

There is not one student here who has not been positively impacted by you. We can all see how genuine, loving, positive, responsible, and God-honoring you are. Thank you for being such a great, shining example of Christ's love for us. I admire how disciplined you are - in your faith, homework, your weekly calls to your Grandma, and your relationships with everyone. There have been so many times in my prayers that I have thanked God for you. You have been so helpful and patient in getting me through this semester. Thank you for sticking with me and listening to me vent. I appreciate you
